

Mini Horsemanship Camps

Saturday, April 9th 9:30am-12:30pm

Saturday, April 16th 9:30am-12:30pm

Equitate offers mini horsemanship camps for any level rider! These camps are great for new riders wanting to learn *and* experienced riders looking to practice key skills. Grooming, tacking, groundwork and good 'barnkeeping' practices will be the main skills emphasized during this camp. While the concentration will be learning about non-riding activities with horses, we will do a short riding session where campers learn how to properly mount, dismount, practice the emergency safety dismount, and more! These camps allow us to effectively & safely teach our students how to do these tasks with hands-on practice, but not take away from their regular lesson time.

-
- Cost: \$40/session, includes instruction, hands-on practice, written materials, and snack & drink at the end of the session
 - What to wear: Regular clothes, but hard soled shoes or boots must be worn. Dress appropriately for the weather. Bring your helmets along.
 - **Sign-up soon!** We limit the number of campers in each session so that all campers receive specialized attention. Both safety and fun while learning are paramount to us. These camps are great for learning & practicing skills needed to become a helper at the barn.
